### PLAYER INDEX CALCULATIONS for NET GAMES

Players shall submit their actual gross score.

After each game's final results are recorded, actual scores are adjusted (if necessary) for Razz Index calculation.

#### Player Index      Maximum Adjusted Score

Up to 18:            Double Bogie

19 and over:        Triple Bogie

Indexes are recalculated after each game, using player's Adjusted Gross Score (AGS) with the following formula:  
AGS - Tee Rating x 113 ÷ Tee Slope = Game Index

### ESTABLISHING PLAYERS (less than 4 Razz rounds)

**First 3 rounds:** Player's Index equals Actual Gross Score minus 2 OVER Course Par.

**After 4 Razz rounds: Player's index is:**  
Average of the Best 4 game Indexes

**After 5 Razz rounds: Player's index is established and is calculated using:**  
Average of the Best 5 of the Last 10 game indexes

### TIE-BREAKERS

1. Better score, inward 9
2. Better score, inward 9, last 6 holes
3. Better score, inward 9, last 3 holes
4. Better score, outward 9
5. Better score, outward 9, last 6 holes
6. Better score, outward 9, last 3 holes

### GHIN SCORE POSTING

Razz will post member's adjusted gross scores as "HOME" or "AWAY" (as appropriate) to the USGA Ghin system.

### OFFICIAL SCORECARDS

Official Razz Scorecards are provided for each group. One player from each group shall serve as the group's official scorer, accurately recording each player's gross score.

All players in the group shall have an opportunity to review their group's scorecard for accuracy prior to submission to the Scoring Table.

Once submitted, all scores are deemed accurate with no corrections allowed. Scorecard math errors are not considered incorrect submission.

Players are strongly encouraged to keep their own backup scorecard.

### TEMPORARY HOLE RANKING (HANDICAPS)

When temporary course conditions exist (tees, greens, construction, other modifications) the Official Razz Scorecards and scoring program may reflect different Hole Rankings (Handicaps) compared to the course's official Hole Rankings.

**RAZZ RULES CONTINUED**

### **RAZZ RELIEF RULE FOR LOST BALL, OUT-OF-BOUNDS, OR NO PLAY AREAS**

When a player's ball has not been found, is known or virtually certain to be Out-of-Bounds, or in a No Play Area, the player may proceed as follows rather than proceeding under stroke-and-distance rule. (See Pace of Play restriction)

**For two penalty strokes**, the player may take relief by dropping the original ball or another ball in this relief area:

1. Player shall determine Reference Point A (where the ball crossed the Out-of-Bounds margin, No Play Area margin, or Lost Ball general area.)
2. Player shall determine Reference Point B (the point of fairway of the hole being played that is nearest to Reference Point A but is not nearer the hole.)

The relief area is anywhere between:

- a. A line from the hole through Reference Point A, within two club-lengths to the outside of that line, and
- b. A line from the hole through the fairway Reference Point B, within two club-lengths to the fairway side of that line.

### **OUT-OF-BOUNDS**

When a player's ball is known or virtually certain to be Out-of-Bounds, the player may take stroke-and-distance relief (See Pace of Play restriction) or, follow the Razz Relief Rule.

### **NO PLAY AREAS**

No Play Areas are any location on the golf course where regular mowing operations cease. These areas may or may not be marked with signs, stakes or painted lines. Players are afforded options for balls known or virtually certain to be in No Play Areas

1. Player may take stroke and distance relief (See Pace of Play restriction)
2. If the ball is found within a 3 minute search, player may play the ball as it lies.
3. If the ball is found but deemed unplayable, player may follow the Razz Relief Rule.
4. If the ball is not found with a 3 minute search, the player must follow the Razz Relief Rule.

Remember...the drop area is not determined by where the ball has come to rest, but rather where the ball is estimated to have crossed the margin of the No Play Area.

### **PACE OF PLAY**

Players are prohibited from invoking stroke-and-distance relief after leaving their previous stroke location. If the player's ball is potentially Out-of-Bounds or in a No Play Area, PLAY A PROVISIONAL. Otherwise, player must use the Razz Relief Rule – DO NOT return to the prior stroke location upon discovery of an Out-of-Bounds, No Play Area, or Lost Ball.

Players are strongly encouraged to keep up with the group in front of them.

Be ready to play when it's your turn.

**LIMIT BALL SEARCH TO 3 MINUTES MAXIMUM.**

### **GROUND UNDER REPAIR (Overland Park)**

The materials storage area left of #11 fairway is deemed GROUND UNDER REPAIR. Free relief is available for a found ball. (Nearest point of relief, plus one club length, not nearer the hole.)

### **DRIVING RANGE (Overland Park)**

A ball coming to rest within the boundaries of the driving range is deemed OUT OF BOUNDS. The entire concrete driving range cart path is deemed the south boundary of the driving range.

The driving range netting, supporting posts and cables are deemed IMMOVABLE OBSTRUCTIONS. Free relief is available from the driving range netting, supporting posts, or supporting cables. (Nearest point of relief, plus one club length, not nearer the hole.)

### **UP RULE**

**Only when the "UP RULE" is displayed on the "Message to Players Display" or with 1<sup>st</sup> Tee signage:** In the fairway of the hole being played, players may lift, clean and place their ball, within 12" of where it came to rest, no nearer the hole, and without relief for stance, swing, obstructions, or line of flight.

### **NO "GIMMES"**

Golf balls must be holed. No putts are conceded.

### **MAXIMUM SCORE**

Maximum score is limited to 9 strokes per hole.

Hole Abandonment:

1. Disqualifies player from stroke play competition
2. Does not disqualify player from Skins or Par 3 contests for completed holes.
